12,000 Gifts Go Overseas: O'Connell

An estimated 12,000 Christmas packages were mailed to service men overseas through the Redwood City Post Office during the past month, Postmaster R. E. O'Connell, Jr., said this week.

The mail represented more than $4000 in postage.

Heaviest amount of overseas mail was handled during the past five days of the time period, when volumn of the mail more than doubled over that sent subsequent to Sept. 15.

No additional help was taken on at the post office to aid in the handling of Christmas packages, O'Connell stated, pointing out that the regular staff worked overtime to sack and dispatch the boxes.

"We are grateful to the men and women who co-operated during the mailing period. Considering the amount of mail that was handled, we experienced comparatively little trouble with packages that failed to conform to the requirements," he said.

With the closing of the Oct. 16 deadline for mailing overseas Christmas packages, O'Connell reminded the public that requests from soldiers are now necessary for packages that go to army post office numbers and that boxes must meet regulation size and weight standards.

Packages to navy men may be mailed without the request.

Asks Donations For Men Overseas

A. P. Patten, director of the USO Mobile Service on the Peninsula issued an appeal for an alarm clock, and for books, magazines, and phonograph records for men going overseas.

Patten asked that donations be left at the Redwood City USO House.

Board of Supervisors Goes On Record Against Prop. 12

After considerable argument, the San Mateo County Board of Supervisors unanimously passed a resolution opposing Proposition 12 (Rights of Employment) on the Nov. 7 ballot.

Supervisor Thomas L. Hickey declared that failure of the board to go on record in opposition of the proposition would show a "lack of guts."

Supervisor Chmn. Fred E. Beer said he opposed adoption of such a resolution for fear of setting a precedent the board would regret later.

The supervisors dropped a paragraph from a mimeographed resolution which urged that citizens vote against the proposition. Supervisor Edward R. McDonald explained "it is not up to us to tell the people how to vote."

The supervisors, who had been urged by golfers and by San Mateo and Burlingame councils to purchase the San Mateo Municipal Golf Course, said the matter rightly belongs to the city of San Mateo.

"We don't have money set up in the budget for such a purchase," Beer said. "The city of San Mateo is the logical group to take it up since it is in their city limits."

The supervisors expressed the belief that San Mateo should proceed to negotiate with the owners for purchase of the property over a period of years in a similar manner to the county's purchase of Coyote Point. It could then apply to Burlingame, Hillsborough and the county for financial assistance in completing the contract, Beer said.

Under present law no city can spend money beyond corporate limits except for water and sewer. The supervisors suggested that an effort be made to amend that statute at the next session of the state legislature so that a city could spend money beyond its corporate limits for joint recreational projects.

The supervisors amended a salary ordinance to authorize the position of senior stenographer-clerk in the probation department, with a salary range of $130 to $170, plus $20 bonus.

Next meeting of the supervisors will be Oct. 31.

Allen Ashley Victim of Polio

Word was receeived today that Allen Ashley, 16-year-old son of Mr. and Mrs. C. C. Alley, former Redwood City residents, is a victim of infantile paralysis in the North West Texas Hospital at Amarillo.

Allen's father is the chief engineer of a Shell Oil Co. chemical division. Before moving to Dumas, Tex. a year ago, Allen and his sister Joan were students of Sequoia High School. Allen was active in Boy Scout work here.

Tool, Die Co. Seeks Site Here

A San Francisco tool and die manufacturing company has queried the Redwood City Chamber of Commerce in regard to a site for its plant, E. W. (Ned) Butler, manager of the chamber announced this week.

The manufacturing company wants a building measuring 100 by 50 feet, of cement construction, if possible, and with adequate lighting. Space for additional buildings to be constructed after the war is also desired, according to Butler.

The company prefers to rent now and buy the property later, he explained.

Any realtor or private owner in Redwood City who has property meeting these requirements is asked to contact the chamber of commerce regarding it, and in turn, his communication will be forwarded to the company.

Two Sailors Caught Driving Stolen Car

Two sailors, Richard D. Akins, 19, and Alfred Durrossette, 23, were in the county jail after being returned from San Francisco where they were apprehended while driving a stolen car.

The automobile is owned by Brigido Trujillo, 529 Third Ave., Redwood City, and was reported stolen Saturday night.

Akins and Durrossette will face charges of car theft.

$50,000 Suit Filed Against Motel Owner

The mother of Sgt. John Wojciechowiczs, 25-year-old soldier who died after he was overcome by gas in the New Garden Motel here Feb. 11, filed suit for $50,000 in superior court here against Mrs. Mary Charles, owner of the motel.

Sergeant Wojciechowiczs died at Dibble Hospital at Menlo Park on Feb. 24. Two others, Sgt. Walter Kelly, 29, and Mrs. Edith Scott, 38, died in the motel tragedy.

Mrs. Wojciechowiczs, of Essex County, New Jersey, charged that gas heater vents were not properly provided to throw off gasses generated by the heaters. An all-woman coroner's jury blamed the deaths on inadequate gas heater vents.

A suit for $50,000 against Mrs. Charles, brought by Mr. and Mrs. John J. Kelly, for the death of their son, Sgt. Walter Kelly, is now pending in superior court here.

Joseph Reginato Dies From Wounds

PFC Joseph J. Reginato, former Sequoia High School student, died in France on Sept. 9 as a result of wounds received in combat, his parents, Mr. and Mrs. Joseph Reginato of East Palo Alto, were informed by the War Department.

Reginato entered the army in May, 1943, and received his paratrooper wings at Ft. Benning. In his last letter to his parents, he stated that he had participated in the invasion of Southern France without injury.

He attended Ravenswood School in East Palo Alto before attending Sequoia.

In addition to his parents, he is survived by a sister, Doris, a senior at Sequoia High School, and a brother, Robert, who attends Ravenswood School.

High School Students Hurt in Accident

Sixteen-year-old Frank Garbey of 671 Live Oak Ave., Menlo Park, was confined to the Palo Alto Hospital and two other high school students were slightly injured when the roadster in which five persons were riding overturned on Alameda de las Pulgas near Atherton Ave., Saturday night.

Given emergency treatment at the hospital were Robert Belcher, 1006 University Dr., Menlo Park, and Mina Reis, 16, of 132 Middle Point Rd., Hunters Point. Belcher had a cut over his left eye, and Miss Reis suffered bruises and lacerations on her elbow.

According to Atherton Police Chief John E. Farrell, the automobile, driven by John C. Keith, Jr., 16, of 1444 El Camino Real, Menlo Park, was going north on Alameda.

The car skidded at the curve and turned over.

Also a passenger in the car was Norma McDowell, 2491 El Camino Real, Palo Alto.

Council Urges County Action On Airport

The city council was this week on record urging County Planning Commission to make further study of the possibility of the formation of an airport district in South San Mateo County.

This action was taken after James C. Ferrell of the newly organized Redwood City Aero Club appeared before the council and urged that they keep the movement towards an airport "rolling."

The council had previously decided that the project was too great for one municipality but indicated last night that it would be willing to join in an airport district or to accept federal aid in building an airport here should such funds become available.

Ferrell suggested the site back of the Red Feather Corp., as an ideal spot for an airport and stated that it was possible to have a three-way runway on this property. The property is that which the city had an option but dropped after deciding against the proposed $107,000 industrial site purchase.

The council voted a substantial increase in the tax on theaters following a recommendation from the tax committee. The new tax will call for a flat $150 on theaters with a seating capacity of 500-1000 and $500 for theaters with a 1000-5000 capacity regardless of receipts. The city attorney was instructed to prepare the necessary amendment to the license ordinance and to make the change effective Jan. 1.

Action on the proposed Palomar Park annexation was postponed pending a meeting of the planning commission tonight.

City Atty. Paul A. McCarthy reported that it would be legally possible to collect taxes from the telephone company, the gas company, Western Union and possibly the Southern Pacific Co., for a period from July 1, 1940 to June 30, 1944. He recommended that the tax collector write to these companies requesting a statement of gross receipts for these four years and to then submit them tax statements basing the tax on the same rate as merchants.

The matter was referred to the tax committee.

The council granted permission to the San Mateo County Historical Assn. to remove an old bell from the basement of the city hall and add it to the association's museum. The bell once hung on the El Camino Real in early days of the highway.

City Manager Mead stated, that he would represent the city at a meeting with the California State Employes Assn. in the State Bldg. at San Francisco next Monday night. There will be a discussion of proposed changes in the retirement act.

The traffic study committee recommended that pedestrian lanes be placed on the south side of the intersections of Hazel and Willow Sts. with El Camino Real. It was also recommended that additional street lights be added at the intersections.

The city manager was instructed to seek priorities on the street lights and to request the State Highway Department for permission to make lanes across El Camino.

The State Board of Equalization informed the council that the application for a permit from Thornton Walker at the Two Friends Cafe (2303 El Camino Real) had been denied.

The Department of Motor Vehicles wrote the council, thanking it for entering the National Pedestrian Safety Contest.

The council declined to take action on a request from the San Mateo County AFL Political Education Committee that it oppose the Rights of Employment Proposition.

Six of 43 taverns have written the council that they would close on V-E Day, it was announced by City Clerk Ralph Dodge.

A group of residents on Lexington Ave. petitioned the council requesting that the storm sewer on that avenue be cleared. Mead stated that the sewer was cleaned each year and would be again this year.

Abatement proceedings against the Greenbach property on Copley St. were placed on the agenda for the next meeting after Atty. Edmund Scott who previously represented Greenbach stated that he would see the property owner and request that he submit plans for an additional room as a co-ordinated part of the main structure.

Abatement proceedings against the Rice property were again placed on the agenda.

The council adopted an ordinance prohibiting circuses and carnivals from operating in Redwood City on Sundays.

Court action loomed in the abatement proceedings against Harold M. Middlekauff when the council, upon the recommendation of Health Insp. Emil Stein voted to continue proceedings through City Atty. McCarthy.

Stein stated that Middlekauff's fertilizer business on Bayshore Hwy. has caused a health menace and an arbor for flies.

Attorney Scott, representing Middlekauff, asked that his client be given until Jan. 1 to remove the fertilizer since at that time he planned to change businesses. Scott stated that Middlekauff was accepting no more contracts in his present business.

Stein sent a notice to Middlekauff that if he did not abate the nuisance that a warrant would be issued for his arrest, Scott doubted the legality of such a notice.

Hit-Run Driver Gets $100 Fine

Elmer D. Matney, 42, who resides in a Redwood City motel, was sentenced to pay a $100 fine or spend 20 days in jail in police court Tuesday morning after he pleaded guilty to a charge of hit and run driving.

Matney was arrested by Redwood City police yesterday on a complaint signed by Harvey Clark, Moore Rd., Woodside.

The action involved a minor accident at James St. and El Camino Real on the afternoon of Oct. 15.

Women Lead Blood Donors

Mrs. David Bohannon and Mrs. A. Leeman, with seven blood donations each to their credit, are the outstanding donors from Redwood City at the San Mateo County Blood Bank in San Mateo, it was announced this week.

Mrs. P. L. Hanzlik of the bank staff said they led the 258 Redwood City residents who have given a total of 386 pints of blood at the county bank. Five-time donors from here are Mrs. Marian E. Blackwood, Alexander Crittino, Mrs. Elizabeth M. Hawkins, Leroy C. Jordan, Miss Maile E. Lee and Sheridan S. Lee. Mrs. Edwin DeBow and David Bohannon are four-time donors.

Mrs. Hanzlik said 52 residents are two-time donors and 15 have given three times each.

Contributions of at least 50 pints before the end of the month have been asked of Redwood City residents. Mrs. Hanzlik explained that increased demands by Oak Knoll Navy Hospital in Oakland and Shoemaker Navy Hospital at Pleasanton have made it necessary for the bank to use a major portion of its reserve supply of plasma.

"The need is great," Mrs. Hanzlik said. "Redwood City residents can make no greater contribution to saving lives of service men than to become donors at the county bank. Our method is painless, takes but a few minutes of time and becoming a donor is a wonderful way of showing true patriotism."

MONTGOMERY WARD

Ward Week

IS HERE AGAIN!

For years, Ward Week has been a tradition. Millions of American families have awaited its coming each Spring and Fall. Months ahead Montgomery Ward store managers in every part of the country planned together, bought together to make Ward Week a time of exceptional values. Then came the war . . . with its urgent call for materials and production. An event like Ward Week, with its huge assortments of civilian goods, seemed out of step with the nation's march toward victory. So, Ward Week was shelved . . . until now.

Today merchandise is still far from plentiful and we urge you to buy only what you need. But once again we can invite you to shop and save in Ward Week. In every department of our store, you will find timely values. See them all but, please, buy only the things you need and let your neighbors have their share.

WARD WEEK STARTS WEDNESDAY, OCTOBER 18th

J. A. Packwood Resigns Health Department; Charges Appear Dead

Informal charges against Dr. Charles C. Gans, director of the County Health and Welfare Department, by James A. Packwood, administrative assistant in the department, appeared to be a dead issue this week with Packwood submitting his resignation to the County Civil Service Commission.

Packwood was the second to resign from the administrative division in the past week. Miss Anne Templeton, secretary clerk, resigned last week. A third member of the administrative division, which has a staff of four, is on sick leave. Johnny Sullivan, fourth member of the division, has had his desk transferred from the main office to the basement of the court house.

Dr. Gans has named no sucessor to Packwood. Dr. Gans failed to deny or confirm a report the position of administrative assistant—a job set up for Packwood by Dr. Gans when he shuffled Packwood from the post of his confidential secretary—would be abolished.

The administrative assistant job includes responsibilities of departmental accounting officer, internal audit, budget control and stores control.

On Oct. 2 Packwood sent a letter to County Executive Frederick Peterson in which he made sensational charges against Dr. Gans, including complaints of political persecution, ill treatment and misconduct by Dr. Gans. Peterson in turn sent the letter to the civil service commission.

Owen M. Broyles, commission secretary and personnel director, said there is no appeal pending and no investigation has been ordered, indicating there is no action for the commission to take on Packwood's informal charges. The commission considered Packwood's communication to Peterson as merely a communication, Broyles said.

The commission earlier had informed Peterson that any question of administration in the department would be up to him.

Packwood's resignation will take effect Oct. 19. He is now away from the office on accumulated vacation time.

Packwood, who submitted his resignation in person to the commission yesterday afternoon, signed a regular resignation form and gave as the reason for his resignation that he has a better job. He did not state what the job was.

Packwood signed a resignation form which reads: "I hereby certify that this resignation is executed by me freely and voluntarily and of my own free will and desire to discontinue my services in such position, office, or employment, and is not given or executed by reason of any threat, force, duress, menace or undue influence of any kind by any person or persons whomsoever."

Packwood told Broyles he thought it was his duty to call to the county executive's attention the condition that exists in the health department (referring to the letter he wrote Peterson).

Although the commission meets tomorrow afternoon, no action is necessary by that body to the resignations of Packwood and Miss Templeton. Mrs. Blanche Walsh, secretary to Chief Sanitary Insp. John Fickiesen, has assumed Miss Templeton's duties in the office here. Miss Templeton submitted her resignation last week, apparently in protest to being transferred from the courthouse to the Colma office.

Athletic Club Adds to Program

Addition of two outstanding musical attractions to the program of the San Carlos Athletic Club's seventh annual Fathers' and Sons' Night, Friday at the San Carlos School auditorium was announced this week.

Loring (Mack) McCarty will present "The Deacon," new Redwood City pianist, and Carl the Fiddler, well-known trick bow artist.

Cadet Robert Fachino of St. Joseph's Military Academy will play accordion solos. Dean Borba, Sequoia High School and Boy Scout gagster, announced the personnel of his act as Bryce Wheeler, John Wrentmore and Al Montgomery.

Other numbers which have been arranged include Bob King, professional ventriloquist before he enlisted in the navy; Walter Canty and son, tumblers; Cantini the Magician; boxers of St. Joseph's Military Academy and the San Carlos Boy's Club, and a pillow fight. The program is being arranged by Chmn. John Thoroughman. Richard Gledhill of Atherton will interview a recently returned veteran of Pacific warfare.

The program is scheduled to start at 8 o'clock. All men and boys of San Carlos are invited, Pres. Rene Cazenave said. Admission is free.

Put to Good Use

Enough glycerine for the recoil mechanism of a five-inch anti-aircraft gun can be produced from 70 pounds of waste cooking fats.

Wife of Soldier Injured in Accident

Dorothy Turcotte, 32, wife of a Ft. Scott soldier, was taken to Park Emergency Hospital in San Francisco this week following an accident in which an automobile ran into a guard rail on Skyline Blvd., south of Half Moon Bay.

PFC George Turcotte, 22, driver of the automobile, told California State Highway Patrol officers that the steering mechanism on his car was faulty.

Patrol officers said the guard rails were rammed through the radiator to the front seat.

The Turcottes were driving north when the accident occurred at 8:00 p.m.

S.M. Co. Indebtedness Last Year $227,000

State Controller Harry B. Riley today announced that San Mateo County's indebtedness during the last year was $227,000. County governments in California reduced their indebtedness by $9,282,468 during the last year to $136,742,384, the Associated Press reported.

Based on population estimates, Riley said the present county per capita debt it $16.18. In 1919—25 years ago—each person in California had a $24.94 obligation to the county.

All property in California subject to local taxation during the last year has an assessment value of $8,267,099,366, up $380,874,742 over 1943, Riley said.

Redwood City Paper Drive Declared Highly Successful

Two freight cars nearly filled with waste paper pulled out of Redwood City this week bound for the paper mills and conversion to the war effort.

Frank A. DePatta, city salvage chairman, did not estimate the tonnage collected but said results were highly satisfactory. One car was loaded to capacity, and the second car was three-quarters full this week. Additional paper was being loaded in small lots Monday.

Six organizations which joined in sponsoring the waste paper collection cleaned up their districts before noon Sunday. First to finish was the Exchange Club which cleared the district south of Vera Ave. by 5 p.m. Saturday.

The Commuters Club, Lions Club, Kiwanis Club, American Legion and the Mormon Church manned a score of vehicles in the collection. Boy Scouts and Sea Scouts assisted the adults in collecting and loading the paper.

DePatta said he considered results outstanding, particularly in view of the fact that the drive was conducted within a month of a junior commando drive. He expressed his thanks to the participating organizations and to the housewives and others who contributed paper.

After the big trucks—including a couple of 10-ton and half a dozen 5-ton jobs—finished the major work of collecting waste paper Sunday, Eddie Van Buskirk with a half-ton pick-up acted as a clean-up detail for the whole city Sunday afternoon. Buskirk, who said he represented the Eagles, answered calls from homes scattered throughout the area where lots of paper had been overlooked or put out after the salvage trucks had passed.

SELLS BIG RESIDENCE

Mr. and Mrs. William R. Rice have sold their residence on Selby Ln. at Almendral Ave., Atherton, to Mr. and Mrs. Louis E. Goodman. Sale price was $25,000, stamps on a deed recorded at request of California Pacific Title & Trust Co. indicate.

Community Chest Drive Enters Home Stretch

Redwood City and its neighboring communities were still nearly $9000 short of the $28.000 War Fund-Community Chest goal as the 1944 campaign moved down the home stretch. Campaign Mgr. Duncan Reynard reported that the total to Tuesday was $19,047.50.

Among the groups reporting today were the Rainbow De Molay Mothers, who more than doubled their 1943 total by turning $109.75 into chest headquarters. Others included the Native Sons of the Golden West, $31.50; W. S. C. S. Methodist Church, $83.50; United Spanish War Veterans, $115, twice last year's contributions; Canadian Legion, $194.25.

Mrs. Albert Morgan Jr., of the McKinley P.T.A., has been named colonel of a group which will call back at local homes in a final drive. She is being assisted by Mrs. Will Rogers and Mrs. John W. Brand.

Alive Because He Was Thirsty

George Casier, 51, of San Francisco, was alive today, possibly because he became thirsty.

Casier left his wife a note saying he was going to commit suicide because of ill health, the sheriff's office here reported, and Saturday afternoon he walked into an abandoned bus on McDonald Ave. a block and a half from Bayshore Hwy. in the north end of the county and slashed his wrist, throat and knees with a straight razor and lay down to bleed to death.

He waited all night and all day yesterday until 4 p.m., the sheriff's office said, until he got so thirsty he couldn't stand it any longer.

So, in search of water, he crawled out of the bus and started through a lot when he was spied by a Chinese woman, who notified Daly City police, who in turn called the sheriff's office.

Casier, who was taken to a San Francisco hospital by ambulance, is expected to live but probably will have to have his arm amputated, the sheriff's office reported.

News of Commuters

Locomotive Bill McKeegan Substituting for Joe Caboose

Communiters cannot understand why Redwood City merchant don't do something about the loss of business to other Peninsula towns. On any Saturday or other week day if you happen to be in Palo Alto, San Mateo or Burlingame you will see about as many Redwood City residents shopping in those communities as in Redwood City.

Here are some of the reasons given for this lack of civic pride: Redwood City does not have sufficient stores other than food stores with exclusive or better grade merchandise; that the stores for the most part cater to people with smaller incomes; that merchants with nationally advertised merchandise do not properly display such merchandise; that the stores, with some exceptions, are unattractive with inadequate store fronts and window displays; that charge accounts are not available; and that the town has outgrown the stores.

Regardless of whether you agree or disagree with the reasons given, the fact still remains that many thousands of dollars are being spent each year in communities other than our own.

It is our understanding that the chamber of commerce is cognizant of the situation and that once the war is over the necessary improvements will be made and Redwood City will then have a shopping district second to none. In the meantime we suggest that the people of Redwood City now shopping elsewhere look around our own shopping district. If they do this, they will find that many of the things that are now purchased in Palo Alto, etc., can be bought right here in Redwood City. Let's give Redwood City merchants the necessary encouragement to go forward and build the fine shopping center that we believe this community should have.

There were 58 members and guests at the Columbus Day dinner meeting of the Commuters Club. Lieutenant Eberhardt speaking at the meeting paid a tribute to the French people for their fine treatment of our boys in France. The lieutenant should know, having bailed out of his fighter plane over German occupied territory not long ago and reaching our lines only after many narrow escapes from capture. Other speakers at the meeting were Dr. James Thornton who spoke on the bond issue and Robert Gibson and Pat Frayne of the War Relocation Authority who presented facts, figures and pictures on the Jap relocation problem.

The big winner of the Club raffle was Dr. James Thornton, the lucky fellow. He buys a last minute ticket and carries away the top prize of the evening. House Committee Chairman, Ross Winchester wants it known that from now on, guest speakers are prohibited from buying tickets at Commuter Club meetings.

Engine sparks: Mrs. Jack Welch due to other duties announced her resignation from the club's USO committee — a lovely lady who did an excellent job, congratulations.

... Mrs. Ed. Horgan has been appointed to succeed Mrs. Welch ... some celebrities seen at the Columbus Day meeting were City Manager Robert Mead, Bill Kielty, John Nordstrand, Miles McDonald, Bill Mallon, Ray Rath, Joe Harper, Fred Kubes and Chas. Malinowski, just to mention a few. ... Gene Hoffman hardworking and efficent Ex-Commuter Club President, is now in New York on business. No, it is not true that Gene is investigating a helicopter postwar commuter service for Redwood City commuters.

Redwood City drug stores reported a liniment rush last evening, the aftermath of the paper drive carried on over the weekend by six organizations in town. Commuters seen crawling aboard the train this morning were Stanley Perkins, Bill Dobbyn, Clarence Brizee, Wrex Cruse, Ed. Horgan, John Clarke, Dr. E. Boyd, Geo. Raubinger, Bill Silverthorne, Chas. Malinowski, John Nordstrand, Fred Jaeger, Bill Rogers, Jack Werner and Ray Cerreghino. "Red" Morton, together with the Boy Scout and Cub Pack members also helped the Commuters all of whom were under the supervision of Bert Conroy. Credit goes to the Redwood Materials Co. and Peninsula Roof & Tile Co. for loaning the trucks used in the drive by the Commuters.

FLASH: Harry Harrison, exclusive Commuters unofficial underground information bureau has received information from one of his operatives that a ragged individual with a bundle of blankets resembling Joe Caboose was hoisted off a freight in Alabama and was last seen warming a can of beans in the jungle alongside the railroad track.

Johnson To Talk In San Carlos

Arrangements are being made today for a Democratic campaign rally Friday night, Oct. 27, at the San Carlos city hall where addreses will be made by Arthur L. Johnson, candidate for Congress, and Municipal Judge Leo Cunningham of San Francisco.

Rene Cazenave, Democratic County Central Committee member, will be chairman of the meeting. A committee planning the function includes Dr. and Mrs. W. M. Cameron, Mr. and Mrs. John B. Shaw, Mr. and Mrs. Carl Goldstein, Mrs. Janet Ogilvie, Mervyn Conroy, Paul Mackay, Carl Hoffman, Henry Glaves, S. Arthur Buckley, Reuben G. Klump, Mr. and Mrs. Mervyn Rathborne, Nicholas Dunphy, Harold Jones, Mr. and Mrs. James A. Grace, William Lucey, Hugh L. Riley, John G. Prendergast and Joseph F. Varni.

Judge Cunningham, an outstanding state Democrat, will speak for the national administration while Johnson will plead for election of Democratic support for the President, pointing out the lack of cooperation by the incumbent representative.

STOLEN CAR RECOVERED

An automobile owned by Brigido Trujillo, 529 Third Ave., Redwood City, was recovered in San Francisco Saturday night shortly after it was reported stolen, Redwood City police said this week.

The car was taken from the California St. parking lot in Redwood City between 8 and 11 p.m., Saturday.

Two sailors who were driving the car when San Francisco police located it, will be returned here later today.

Cotton can be spun so fine that a pound of it will make 250 miles of yarn.

B. B. Berman Dog Recorded as Champion

B. B. Berman, Redwood City dog fancier was notified by the American Kennel Club of New York, his standard schnauzer, "Chief of Staff," has been recorded as a champion, having won the required number of points at bench shows. Mrs. Francis Taylor of Whipple Rd. raised the dog.

"Chief of Staff" took the best of breed award at a Sacramento show Sunday.

Youths Sought by Navy As Air Combat Crewmen

Unmarried youths between 17 and 26 are being sought by the United States Navy to serve as air combat crewmen about its bombers and fighter planes, Capt. C. L. Arnold, director of naval officer procurement in San Francisco announced this week.

Men enlisting, Captain Arnold explained, will receive a year's specialized training at Jacksonville, Fla., and upon completing this course will wear the navy wings of silver and serve as gunners, technicians, and radio operators.

Old Model Car Destroyed by Fire

An old-model automobile on the Davies Auto Used Car Lot was destroyed by fire Tuesday night at 9:30 o'clock, Redwood City firemen reported today.

Firemeh said the blaze, the fifth in old cars parked on lots in two months, was probably intentionally set by children.

New Withholding Rates Effective Jan. 1

New rates for determining withholding tax will go into effect on Jan. 1 Harold A. Berliner, collector of internal revenue in San Francisco reported this week. These rates are applicable under the Individual Income Tax Act of 1944, he said.

Berliner added that new forms will be given all employes before Dec. 1 to determine their exemption status. These forms replace those which were filled out originally last year when the withholding tax went into effect.

How to make cabbage interesting, delicious

OF COURSE, "corned beef and . . ." is one way to serve cabbage, and a good way it is, too. But it's far from being the *only* way! For instance, this is delicious:

SCALLOPED APPLES AND CABBAGE

Slice 5 medium-size cooking apples and combine with 2 tbsps. sugar. Finely shred 1 medium-size head of cabbage; season with 2 tsps. salt, 1 tbsp. vinegar, and 4 tbsps. bacon drippings. Arrange alternate layers of sliced apples and shredded cabbage in well-greased baking dish or casserole, beginning with cabbage and ending with apples. Top with ½-cup fine dry bread crumbs; dot with 2 tbsps. butter or margarine; cover. Bake in moderate oven (350°F.) 30 minutes or until done. Remove cover; continue baking at same temperature about 10 minutes, or until crumbs are brown. Serves 6.

Mexican Slaw—To shredded cabbage, add tomatoes cut in wedges, and diced green peppers, and toss with a little sugar, vinegar, and salt to taste.

Slaw au Gratin—Toss shredded cabbage with a little sugar, vinegar, and salt. Pour enough evaporated milk over to make desired amount of dressing, and sprinkle with grated cheese.

Catalina Slaw—Shred cabbage, add generous amount of salted peanuts and cut-up peeled wedges of orange or grapefruit. Toss with little sugar, vinegar, and salt to taste.

Ferrell Orders Piper Cub Plane for Redwood City Aerial Club

Lt. James C. Ferrell of the U. S. Army Air Corps, organizer of the Redwood City Aerial Club, has ordered a Piper Cub for use of club members.

The plane, which has a Continental engine, 65-horse power, with a cruising speed of 90 to 95 miles an hour, will be paid for through the money collected from the flying time of the members, and will belong to the club for the use of members only. All members will have an equal opportunity to use the Cub, Lieutenant Ferrell, who will revert to inactive status tomorrow, said.

Flying time will be given at cost, Ferrell said. Tentative rates were set at $7 an hour for dual and $5 for solo time. Dues were mentioned at this week's organizational meeting with the idea in mind to have dues credited to the members in the form of flying time, until actual flying is started.

Suggestion that social activities in connection with other flying clubs on the Peninsula was made. Every effort will be made to make the weekly meetings of the club as interesting and constructive as possible, Ferrell said, by having guest speakers who are experienced in the field of aviation and by showing constructive motion pictures. A part of each meeting will be devoted to ground school instruction.

Club officers will be elected at the meeting next Tuesday at 7:30 p.m. in the Little Theater at Sequoia High School, and future plans will be formulated. Warren W. Dorn and Russel D. Cross of the United Airlines will show a motion picture relating the progress of aviation from the Wright brothers' experiment to the present time. Ferrell said all aviation enthusiasts are invited to attend the meeting and to join the club.

Present at the organizational meeting were Dorn, Cross, Dave Tyson, Otto Broberg, Stella R. Broberg, Ernest H. Werder, A. H. Steller, Manfred J. H. Walzberg, Gene McCann, Shirley Allured and Betty Buchanan, Bill Ferguson and George F. Murray.

Early Camouflage

Camouflage is not a modern war weapon. Shakespeare, in Scene IV, Act V, of Macbeth, writes: "Let every soldier hew him down a bough, and bear't before him; thereby shalt we shadow the numbers of our host and make discovery err in report of us."

Taping Timecutter

Time-saver in plane engine maintenance is the wrapping of maisture-proof tape around the conduit, between spark plugs and ignition harness manifold, by specially constructed machine. Formerly done by hand, the winding took twice as long to do.

Suicide Shooting

The first machine guns mounted on airplanes were not synchronized, with the result that seven of every 100 bullets fired struck the propeller blades. Steel bands were used on the blades to prevent them from shattering

Milk for the Army

Fresh milk is now supplied to American soldiers for the first time since the Revolutionary War. The daily ration then was one pint of milk; today's ration includes eight ounces of milk, two ounces of butter and an ounce of evaporated milk.
